PROFESSIONAL EXPERIENCE

Kinectrics Inc. / BWXT

Finance Analyst Intern

Toronto, Ontario

May 2025 – Aug 2025

- Prepared corporate board reports, executive presentations, treasury materials, financial schedules, and supporting documentation for CFO and board-level review.
- Consolidated two years of global sales data across eight international locations into a centralized management-reporting file, improving reporting consistency and accessibility.
- Reconciled invoice and purchase-order discrepancies and corrected historical Excel records for the Isotopes business unit by identifying and reclassifying misposted entries.
- Managed CAPEX trackers, purchase requisitions, purchase orders, invoices, and SAP transactions, ensuring complete documentation and accurate financial records.
- Updated forecasting models, budget files, secured-sales reports, account reconciliations, and general-ledger schedules in support of financial planning and month-end close.
- Maintained financial reports and internal databases across the Transmission and Distribution Technologies, Isotopes, and Nuclear business units while coordinating high-priority finance documentation and communications for the CFO.

Eataly Sherway Gardens

Sales Associate

Toronto, Ontario

Nov 2023 – Present

- Monitored inventory records and sales data across three departments, identified discrepancies, and contributed to a 10% reduction in excess inventory.
- Prepared inventory and sales reports to support operational decision-making, replenishment planning, and inventory-control activities.

EDUCATION

Humber Polytechnic

Honours Bachelor of Commerce in Accounting

Toronto, Ontario

Jan 2023 – Apr 2026

Relevant Coursework: Advanced Financial Accounting, Auditing and Assurance, Corporate Taxation, Accounting Information Systems, Advanced Management Accounting, Accounting Theory, and Ethics and Governance

VOLUNTEER EXPERIENCE

IGNITE Student Union – Humber Polytechnic

Tax Clinic Support Staff

Toronto, Ontario

Feb 2026 – Apr 2026

- Prepared and filed 75+ personal income tax returns using UFile, verified T4, T4A, T5, and supporting documents, and maintained compliance with CRA requirements.
- Applied personal-tax knowledge to student, family, and spousal tax situations, completing basic to moderately complex returns accurately.
- Served more than five clients per day and collaborated with a seven-member tax clinic team during a high-volume filing season.
- Helped streamline client-intake and document-review workflows, supporting shorter wait times and more efficient return preparation.

ACADEMIC PROJECT

Accounting Capstone – AI Integration in Accounting Practices

Humber Polytechnic, Toronto, Ontario

Apr 2026

- Analyzed AI integration in accounting using a 50-respondent survey and industry literature, evaluating implications for financial reporting, audit efficiency, organizational decision-making, ethics, and governance.
